Dear NADIA,

The following is a summary of your academic year and corresponding financial aid offer.

ACTION REQUIRED:

You must accept, decline, and/or reduce specific funding types by visiting your student website at <https://ecampus.phoenix.edu> and navigating to **Account > Awards & Disbursements > Accept Loans** or by completing and returning the Loan Award Confirmation page included with this letter by **09/06/2020**. This prevents cancellation or potential delays in the release of your funding.

Once you have accepted your loan funds and met eligibility criteria, financial aid loan funds will be applied directly to your student account. If you are eligible to receive a credit balance (excess funds), it will be sent to you via direct deposit or paper check in accordance with your credit balance delivery option. Monitor your student website at **Account > Awards & Disbursements** for an estimated processing date.

Before you take out a federal student loan, it's important to understand that a loan is a legal obligation that you will be responsible for repaying with interest. We recommend you visit the student website and navigate to **Account > Repayment** to see your estimated monthly loan payments. For additional information about borrowing responsibly, visit the Federal Student Aid website at <https://studentaid.ed.gov/sa/types/loans#considerations>.

If you have any questions regarding your financial aid while attending the University, or for further information on alternative funding sources, please see the Consumer Information Guide located at http://www.phoenix.edu/about_us/regulatory/consumer-information.html or contact Student Financial Services.

Sincerely,

University of Phoenix
